C-Store Manager

Description

Our Exxon brand of gas stations and C-stores are in growth mode and we are looking for a C-Store Manager. We have C-stores all over the Columbia Basin and looking for new leaders to join our team!

Store Manager experience requirements

Store Managers need two or more years in a similar role with supervisory experience and proven management skills. Other requirements include experience with financial, sales and operational reports with the ability to interpret, analyze and develop strategic marketing plans. Store Managers also require proven experience of exemplary customer satisfaction, improvement strategies and formulating price policies. They must have sales and shop promotional experience with financial data showing success and profits. Store Managers have the attitude, procedures and strategy for employee retention and examples of interpersonal skills.

Responsibilities

Store Manager establishes the Gas stations daily opening and closing schedule, including a routine of cleaning, stocking shelves, counting register drawers for accuracy and they ensure that the shop is ready to open. They also maintain the levels of inventory, generate employee schedules, administer payroll, and manage employees. The Store Manager tracks sales figures and meets financial and sales goals. Adapting to various situations, they ensure the safety of people, assets and handle all the store's banking. They also direct customer service, resolve complaints, and manage loss prevention. Often, a manager will meet with vendors, the corporate office or senior management.
